Day 2

TREK TO GARBETT PLATEAU TREK OR PEB FORT TREK

- **Trek Duration:** 4-5 Hours | **Trek Distance:** Approx: 09 KM. The hike you take today may be the most picturesque one you take in Matheran. We will begin our trek right away after finishing BF at the hotel. The Instructor will only decide between the Garbett Plateau Trek or Peb fort trek depending on the weather conditions and the fitness of the participants.
- People who want to explore the Maharashtra mountains or who want to see nature at its most beautiful are thought of as entering through Peb fort. You can view the entire Matheran hill range in 360 degrees. On top of Peb fort, there is a small
- temple dedicated to Peb devi. The Goddess Peb devi is the source of the name Peb Fort. The history of this fort is not well known. It is believed that Captain Dickinson visited this fort in 1818. Because of its elephant-headed shape, this mountain is also known as Vikatgad Fort. Views of the Chanderi fort, Nakhind, Tavli, Navra-Navri, Malang Gad, Prabalgad, Kalavantin Durg and Dhom Lake can be seen from the top.
- The Garbett Point Trek is a fantastic location to take in the splendour of nature. Explore the charming pathways, verdant forests, clean air, stunning lake, waterfalls with forest sounds, tranquil lakes, and peaceful streams. Garbett Plateau, a stunning location southwest of Matheran, provides a mesmerising 360-degree view of Matheran's all-time favourites hill station. The point, which spans about 8 square kilometres of the Sahyadris, was first identified back in 1850. Get the chance to visit this breathtaking location and experience the natural beauty of the surroundings while hiking.
- You can trek through the breathtaking terrain of the Garbett Plateau and take in its beauty through this activity. Enjoy Matheran's stunning scenery and the opportunity to see reverse waterfalls.
- Participants will have some free time after reaching the summit to capture group photos and videos. When sharing on media, don't forget to mention @the.trekkers.trail on Instagram.
- By the afternoon, we will begin the hike down to our hotel. We will arrive at our hotel in about one to one and a half hours, where a hot lunch will be provided. The rest of the day is free for participants to unwind, go shopping, or play team games at the hotel. End your day with DJ & Garba.
- (BF, LUNCH, DINNER & STAY)

Day 3

FREE TIME AT MATHERAN AND RETURN

- Check out after enjoying a delicious breakfast buffet at your hotel. Participants have the choice of staying in Matheran to visit the market or making the trek down to Aman Lodge to see the trip's final attraction, panorama Point.
- According to its name, Panorama Point offers a 360 degree panorama of the Western Ghats, the town of Neral, and the entire valley. Despite being one of Matheran's top attractions, this location is less accessible than Louisa Point. This is due to the fact that it takes some hiking to get the Panorama Point, which is located at one of the Matheran's outermost points. The 'Sunrise Point' is another name of this location. The sunrise and sunset views from this Point are breathtaking. it takes work to accomplish the goal of getting there on time, but it is well worth the effort. If you're fortunate enough to arrive at the same time as the toy train, you may also be able to see it.
- After some leisure time, we'll start the drive back to Mumbai at 2: 00 PM and arrive at 6:00 PM. Bid good bye to your Mighty Matheran Tour.
